MISSION STATEMENT:

The Southern Oregon Renegades, a non-profit minor league football team, provides a platform for adult athletes to play for the love of the game or to continue football careers beyond their current level. As players continually develop, strengthen and maintain skills and abilities, they'll be providing positive and safe family entertainment within the Rogue Valley and beyond.

VISION STATEMENT:

The Southern Oregon Renegades will continually challenge players, coaches and staff to grow beyond personal boundaries of athleticism, leadership and professionalism in order to build a championship team that is prolific in the community. Our organization strives to be a breeding ground for talent both on and off the field and aims to encourage and assist individuals in attaining their personal and professional goals.
